PASSAGE

Nora found a small key at the entrance to the library. It did not open the main door, but it did fit a wooden drawer no one had checked. Inside were a folded map, three photographs and a note asking that everything be returned before dark. Nora made a list to remember the order.

1. What is the main idea?

2. What might happen next?

3. Where does the passage take place?

4. Write one detail that shows careful work.
