

# Fill the frequency table

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Count each kind of shape and write its frequency (how many times it appears) in the table.

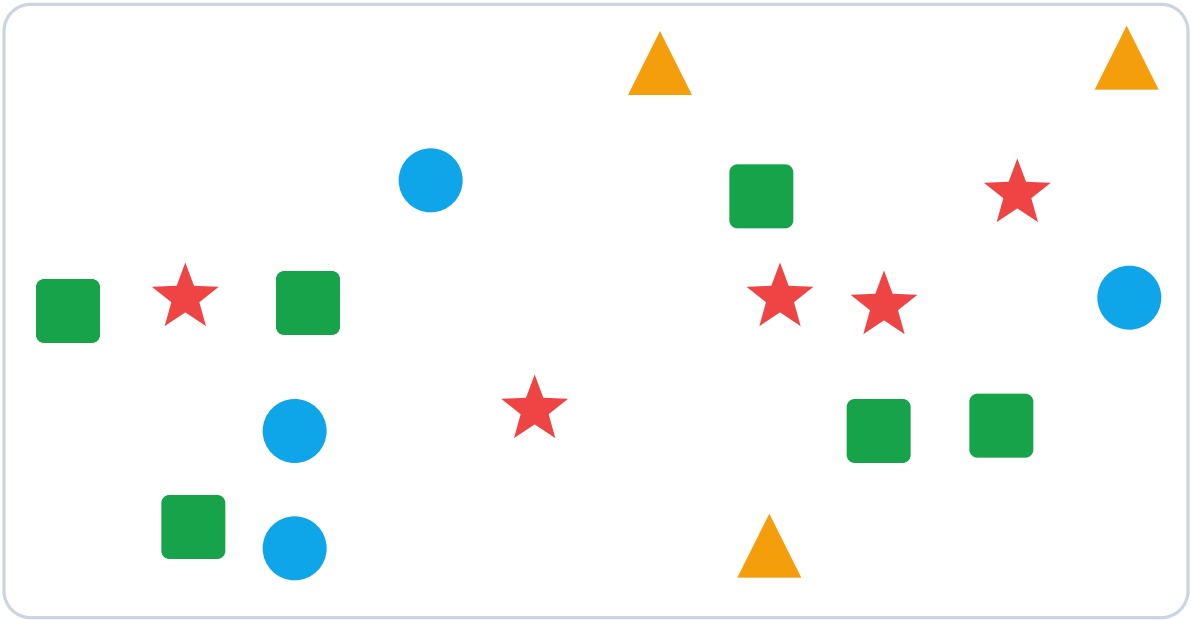

| Shape     | Frequency   |
|-----------|-------------|
| Circles   | <div></div> |
| Squares   | <div></div> |
| Triangles | <div></div> |
| Stars     | <div></div> |

1. Which one appears the fewest times? \_\_\_\_\_

# Answer key: Fill the frequency table

Count each kind of shape and write its frequency (how many times it appears) in the table.

| Shape     | Frequency |
|-----------|-----------|
| Circles   | 4         |
| Squares   | 6         |
| Triangles | 3         |
| Stars     | 5         |

1. Which one appears the fewest times?

Triangles
