

Count up to subtract, within 50

Name: _____

Date: _____

Subtract by counting up: from the small number to the ten, then on to the big one. The difference is the two hops added.

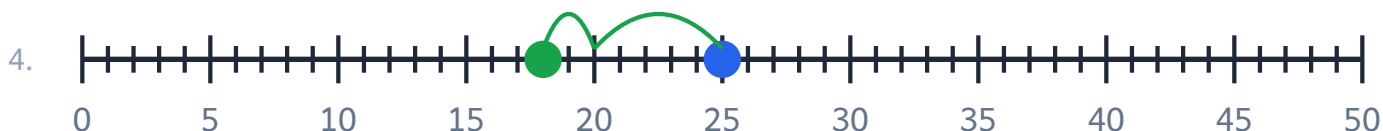

$$17 - 9 = \boxed{} + \boxed{} = \boxed{}$$

$$35 - 27 = \boxed{} + \boxed{} = \boxed{}$$

$$41 - 36 = \boxed{} + \boxed{} = \boxed{}$$

$$25 - 18 = \boxed{} + \boxed{} = \boxed{}$$
